ABOUT THE ORGANISATION

Rooted in Community.
Driven by Impact.

NEED Organisation, registered in **1998** under the leadership of **Mr. P. Venugopala Rao**, is a grassroots development organisation working with tribal, rural, and marginalised communities across Andhra Pradesh and Odisha. We empower communities through education, skill development, health, livelihoods, and sustainable development.

VISION

"A world where every individual has access to opportunities and resources to reach their full potential."

MISSION

"To empower communities through education, skills, and sustainable development initiatives."
