Residential Special Training Centres (RSTCs)

FUNDED BY
Rajiv Vidya Mission (SSA)

IMPLEMENTATION YEAR
1998 – 2015

COVERAGE AREA
Parvathipuram Manyam & Vizianagaram

150+	2,550+	1998 – 2015
Annual Beneficiaries	Total Beneficiaries	Programme Duration

ABOUT THE PROGRAMME

Three RSTCs at Ramabhadrapuram, Pachipenta and Salur Mandals provided residential bridge education to 50 children each, targeting migrant children, school dropouts and never-enrolled children across Parvathipuram Manyam and Vizianagaram Districts for 17 years under RVM (SSA), Vizianagaram.

OBJECTIVES

- Enrol children at risk of dropout when parents migrate
- Provide age-appropriate bridge enrolment and support
- Develop dynamic MIS to track migrant child movement
- Support never-enrolled children from nomadic families
- Ensure migrant children complete elementary education
- Institutionalise mainstreaming into source-area schools
- Follow up worksite children for native school placement
- Convergence with SSA, ITDA and health departments

KEY ACTIVITIES

- Residential bridge education at three mandal centres
- Identification and enrolment of out-of-school children
- Age-appropriate class placement and remedial teaching
- Regular attendance monitoring and academic documentation
- Parent and community engagement meetings
- Mainstreaming children into regular schools

OUTCOME

150+ children mainstreamed per year across three centres. 2,550+ children brought into formal education over 17 years across Parvathipuram Manyam and Vizianagaram Districts.

ACHIEVEMENTS & OUTCOMES

- 2,550+ children mainstreamed into formal education across 17 years (1998–2015)
- Three centres continuously operational across both districts
- Effective MIS established for tracking migrant child movement
- Successful convergence with SSA, ITDA, health and nutrition departments

01

NCLP — Residential & Non-Residential Bridge Centres (RBC / NRBC)

FUNDED BY
SSA / National Child Labour Project (NCLP)

IMPLEMENTATION YEAR
2007 – 2017

COVERAGE AREA
Parvathipuram Manyam

150+	1,500+	2007 – 2017
Annual Beneficiaries	Total Beneficiaries	Programme Duration

ABOUT THE PROGRAMME

Over 10 years from November 2007, NEED operated Non-Residential Bridge Centres (NRBC) for street children and school dropouts, and a Residential Bridge Centre (RBC) at Pachipenta Mandal, Parvathipuram Manyam. Core conviction: all children aged 5-14 must be in school — being out of school is itself a form of child labour.

OBJECTIVES

- Identify child labour at habitation level
- Organise NRBCs for street and dropout children
- Conduct Grama Sabhas and awareness programmes
- Social mobilisation — Kala Jatas and street plays
- Parent and teacher meetings at habitation level
- Mainstream all children into schools and hostels

KEY ACTIVITIES

- Residential and Non-Residential Bridge Course Centres
- Motivation Camps, Rallies and Kala Jathas
- Parent-teacher meetings at habitation level
- Grama Sabha mobilisation with elders and community
- Mainstreaming into local schools and hostels
- TV shows and social mobilisation campaigns

KEY ACHIEVEMENT

150+ children mainstreamed in 2010-11 alone through the Pachipenta RBC. Over 1,500+ children mainstreamed across 10 years. Community mobilisation through Kala Jatas and Grama Sabhas proved highly effective in reaching the most excluded children.

ACHIEVEMENTS & OUTCOMES

- 1,500+ children mainstreamed over 10 years of continuous operation (2007-2017)
- 150+ children mainstreamed in 2010-11 alone through the Pachipenta RBC
- Effective community mobilisation model — Kala Jatas and Grama Sabhas
- Convergence achieved with NCLP, SSA, health and nutrition departments

02

Urban Residential Hostel (URH), Vizianagaram

FUNDED BY
Rajiv Vidya Mission (SSA), Vizianagaram

IMPLEMENTATION YEAR
2012 – 2021

COVERAGE AREA
Vizianagaram District

260+	2,600+	2012 – 2021
Annual Beneficiaries	Total Beneficiaries	Programme Duration

ABOUT THE PROGRAMME

Sanctioned by RVM (SSA) on 16 July 2012, the URH provided full residential support to 100 urban deprived children in Vizianagaram for 9 years. Daily tuitions for Classes 3-9, health checkups, counselling, rehabilitation and recreational activities including competitive boxing. Community profile: BC 48%, ST 39%, SC 12%, OC 1%.

SERVICES

- Daily tuitions for Classes 3 to 9 — morning and evening
- Regular health checkups and medical monitoring
- Counselling and psychosocial support for all residents
- Rehabilitation for urban deprived children
- Recreation and sports including boxing training
- Regular academic progress monitoring and guidance

BENEFICIARY PROFILE

- BC community — 48%
- ST community — 39%
- SC community — 12%
- OC — 1%
- Classes 3rd through 9th standard covered
- 100 children in residential care every year

2016-17 MILESTONE

10th class batch passed 100% — 19 of 19 students. One student scored 9.3 grade points and stood 1st at Cantonment Municipal High School. 8 students selected for National Boxing Championship in Goa and Haryana. 1 student admitted to Vizag Sports Academy.

ACHIEVEMENTS & OUTCOMES

- 2,600+ children supported across 9 years of continuous operation (2012-2021)
- 100% pass rate in 2016-17 10th batch — 19 of 19 students passed
- 8 students selected for National Boxing Championship — Goa and Haryana
- 1 student admitted to Vizag Sports Academy for professional training

03

Open Shelter, Salur

FUNDED BY
Government of Andhra Pradesh

IMPLEMENTATION YEAR
2013 – 2021

COVERAGE AREA
Salur, Vizianagaram District

30+	270+	2013 – 2021
Annual Beneficiaries	Total Beneficiaries	Programme Duration

ABOUT THE PROGRAMME

The Open Shelter at Salur provided safe daytime refuge, education support and welfare services to vulnerable children over 9 continuous years. Catering to children of migrant workers, street-connected children and those at risk of dropping out — giving them a protected space for learning, nutrition and psychosocial support.

OBJECTIVES

- Safe daytime refuge for street-connected children
- Access to education, nutrition and health services
- Prevent school dropout among high-risk families
- Psychosocial support and recreational activities
- Linkage with government welfare schemes

KEY ACTIVITIES

- Safe daytime shelter and supervision
- Education and tuition support activities
- Nutrition and daily meal provision
- Health monitoring and referral services
- Recreation and life-skills activities
- Linkage with government welfare programmes

OUTCOME

30+ children supported every year for 9 consecutive years — 270+ vulnerable children given safe space, education and psychosocial support. Non-residential protection services effectively prevent school dropout and protect street-connected children.

ACHIEVEMENTS & OUTCOMES

- 270+ children protected and supported across 9 years of operation (2013-2021)
- Consistent safe space for children of migrant and vulnerable families
- Effective prevention of school dropout through sustained academic support
- Successful linkage of children and families with government welfare schemes

04

Seasonal Hostels Programme

FUNDED BY
Aide et Action / RVM (SSA) / Samagra Shiksha

IMPLEMENTATION YEAR
2003 – 2025

COVERAGE AREA
Parvathipuram Manyam & Vizianagaram

800+	60 Hostels Operated	2003 – 2025
Annual Beneficiaries	Total Beneficiaries	Programme Duration

ABOUT THE PROGRAMME

Running since 2003 across Parvathipuram Manyam and Vizianagaram Districts, NEED has operated approximately 60 seasonal hostels over 22 years under Aide et Action, RVM (SSA) and Samagra Shiksha. Seasonal hostels keep children of migrant families in education during migration — Monday to Saturday, 9 AM to 4 PM, using play-based and joyful learning methods.

OBJECTIVES

- Keep migrant-family children in education
- Enrol never-enrolled and dropout children
- Track migrant children through dynamic MIS
- Mainstream children into regular schools
- Support neglected children in continuing education

KEY ACTIVITIES

- Monday to Saturday schooling — 9 AM to 4 PM
- Play-based, joyful and child-centred learning
- Books, uniforms and learning materials supplied
- Weekly teacher reports to project coordinator
- Follow-up and mainstreaming into schools
- Child profiles and visitor registers maintained

2012-13 AIDE ET ACTION PHASE

17 seasonal hostels across 17 villages in Vizianagaram District — 798 children identified and mainstreamed. Top villages: Komatipalli 84, Mamidipalli 74, Panchali 73, Pachipenta 78, Karrivalasa 70.

2024-25 SAMAGRA SHIKSHA PHASE

1 hostel at Karrivalasa Village, Pachipenta Mandal — 48 of 50 enrolled children successfully mainstreamed — a 96% mainstreaming rate.

ACHIEVEMENTS & OUTCOMES

- Approximately 60 seasonal hostels operated since 2003 across two districts over 22 years
- 798 children mainstreamed across 17 villages in 2012-13 (Aide et Action)
- 96% mainstreaming rate in 2024-25 — 48 of 50 children successfully mainstreamed
- Thousands of migrant-family children kept in education across two decades

05

Creche Centres (19 Centres)

FUNDED BY
ITDA Parvatipuram / Women & Child Welfare Dept., Govt. of

IMPLEMENTATION YEAR
2019 – 2025

COVERAGE AREA
Parvathipuram Manyam

342+	2,052+	2019 – 2025
Annual Beneficiaries	Total Beneficiaries	Programme Duration

ABOUT THE PROGRAMME

19 Creche Centres across Pachipenta, Salur and Makkuva Mandals for children aged 6 months to 6 years from working women in low-income families. Each centre serves up to 25 children (at least 40% below 3 years), located within walkable distance of mothers' workplaces. Running continuously since 2019 in Parvathipuram Manyam.

SERVICES

- Daycare and sleeping facilities for all children
- Early stimulation for children below 3 years
- Pre-school education for children aged 3 to 6 years
- Supplementary nutrition with ICDS support
- Growth monitoring and regular health checkups
- Immunisation support and health referral
- Child-friendly WASH facilities at all centres

OBJECTIVES

- All-round development of low-income family children
- Safe, healthy and caring daytime environment
- Develop social skills and school readiness
- Enable working women in livelihood activities
- Regular nutrition and health monitoring for all

OUTCOME

342+ children enrolled annually across 19 centres since 2019 — 2,052+ children cumulatively reached across Parvathipuram Manyam. Tribal and rural working women enabled to pursue livelihood activities while children receive structured early care.

ACHIEVEMENTS & OUTCOMES

- 342+ children enrolled annually — 2,052+ cumulative beneficiaries (2019-2025)
- Early stimulation and pre-school education to otherwise excluded children
- Tribal and rural working women enabled to participate in livelihood activities
- Child-friendly WASH infrastructure established and maintained at all 19 centres

06

CCI Education Sponsorship Programme

FUNDED BY
Children Care India (CCI) / AIPE International, Canada

IMPLEMENTATION YEAR
2018 – 2022

COVERAGE AREA
Vizianagaram District

60+	60+	2018 – 2022
Annual Beneficiaries	Total Beneficiaries	Programme Duration

ABOUT THE PROGRAMME

NEED implemented the CCI education sponsorship programme since 2018, supporting 60+ children from 16 villages — primarily fishing communities including orphans, semi-orphans and extremely poor children. Support covers tuition, hostel fees, uniforms, books, stationery and travel through school into college. Monthly field visits monitor health and academic progress.

EDUCATION SUPPORT

- Individual sponsorship — tuition, hostel, uniforms, books, travel
- Monthly visits to 16 villages and children's homes
- School visits and discussions with teachers on progress
- Case studies and monthly reports to CCI Canada
- Support from school through college and ITI level

FAMILY & COMMUNITY SUPPORT

- Microcredit — 32 women, Rs 15,000 each across 5 villages
- Conditional on children's active school enrolment
- Monthly follow-up on business and livelihood progress
- Awareness on hygiene and water and sanitation

COMMUNITY ANGANWADI — THAMMAYYAPALAM (UP TO FEB 2021)

In the absence of a government anganwadi, NEED ran a CCI-supported centre for 13 children — daily meals, lessons and play from the teacher's home. Government of AP sanctioned an official anganwadi in February 2021 following NEED's sustained advocacy.

COVID NUTRITION SUPPORT — BARRIPETA & THAMMAYYAPALAM (SEP 2020-2021)

96 children received monthly nutrition kits during COVID-19 school closures — red dal, peanuts, jaggery, dates, oil, sesame balls, salt, biscuits and soap — maintaining nutritional wellbeing and family contact during the pandemic.

ACHIEVEMENTS & OUTCOMES

- 60+ children from 16 villages sponsored — fishing community, orphans and semi-orphans
- Multiple children placed in government and private sector employment
- 32 women across 5 villages supported through microcredit (Rs 15,000 each)
- Community anganwadi for 13 children run until government centre opened (Feb 2021)
- 96 children in 2 villages received monthly nutrition kits during COVID-19

07

Prem Viswasam Children Home, Bobbili

FUNDED BY	IMPLEMENTATION YEAR	COVERAGE AREA
Hand in Hand, Germany	2022 – Present	Bobbili, Vizianagaram District

60+	180+	2022 – Present
Annual Beneficiaries	Total Beneficiaries	Programme Duration

ABOUT THE PROGRAMME

Located at Siripurapu Street, Bobbili, the Prem Viswasam Children Home provides full residential care and education to 60+ orphan and semi-orphan children (Classes 1 to Intermediate) from poor families across Vizianagaram District, supported by Hand in Hand, Germany since 2022.

CORE SERVICES

- Residential accommodation, food and clothing for 60+ children
- Daily morning and evening tuitions for all classes
- Monthly health camps for all resident children
- Education support for ITI and Intermediate students
- Cultural programme and extracurricular activities
- Free uniforms, books and stationery for all children

ADDITIONAL OUTREACH

- Housing support — 20 leprosy colony households
- Piridi, Alajangi and R.Venkampeta communities
- Monthly grocery support for 50 elderly beneficiaries
- Bobbili Leprosy Colony — sustained community engagement

2023-24 ACHIEVEMENTS

One resident girl received a Certificate of Appreciation from her Junior College for outstanding discipline and regularity. Children won 2nd prize at Bobbili town cultural programme — reflecting the home's strong emphasis on holistic development alongside academics.

ACHIEVEMENTS & OUTCOMES

- 60+ orphan and semi-orphan children in full residential care since 2022 (180+ total)
- Children enrolled from Classes 1 to Intermediate and in ITI vocational courses
- Monthly health camps — all resident children monitored regularly
- Resident girl received Junior College appreciation award in 2023-24
- Children won 2nd prize at Bobbili town cultural programme
- 20 leprosy colony households and 50 elderly receive monthly support

08

Day Care Centres — ST Community, Pachipenta

FUNDED BY
Hand in Hand, Germany

IMPLEMENTATION YEAR
2022 – Present

COVERAGE AREA
Pachipenta Mandal, Parvathipuram Manyam

5 Centres	300+	2022 – Present
Annual Beneficiaries	Total Beneficiaries	Programme Duration

ABOUT THE PROGRAMME

Five Day Care Centres operate in remote hilltop areas of Pachipenta Mandal, Parvathipuram Manyam District, with Hand in Hand, Germany support since 2022. Exclusively targeting Scheduled Tribal (ST) community children of working women in geographically isolated tribal settlements — providing daily education and nutritious meals to children historically excluded from mainstream services.

OBJECTIVES

- Education and nutrition for ST hilltop-area children
- Day care for working tribal women's children
- Improve development, health and education outcomes
- Enable tribal women to engage in livelihood activities
- Empower ST children with early education foundations

KEY SERVICES

- Daily structured education and learning activities
- Nutritious meals and snacks provided every day
- Safe daytime care for children of working mothers
- Health monitoring and development tracking
- Community engagement with ST hilltop families
- Regular field monitoring and funder reporting

SIGNIFICANCE

5 Day Care Centres reaching remote hilltop tribal villages in Pachipenta Mandal historically excluded from mainstream education and nutrition services. 300+ Scheduled Tribal children reached since 2022. Working mothers now able to engage in livelihood activities while children receive structured daily care.

ACHIEVEMENTS & OUTCOMES

- 5 Day Care Centres operational in remote tribal hilltop areas since 2022
- 300+ Scheduled Tribal children reached with daily education and nutrition
- Working tribal women enabled to pursue livelihood activities
- Historically excluded hilltop villages now accessing early childhood education

09

Special Need Children Girls Home, Amalapuram

FUNDED BY
Mission Vatsalya, MoWCD, Govt. of India

IMPLEMENTATION YEAR
2025 – Present

COVERAGE AREA
Amalapuram, Dr. B.R. Ambedkar Konaseema District

50+	50+	2025 – Present
Annual Beneficiaries	Total Beneficiaries	Programme Duration

ABOUT THE PROGRAMME

Implemented under Mission Vatsalya — the Child Protection and Child Welfare Programme of the Ministry of Women and Child Development, Government of India — with NEED as implementing agency at Amalapuram, Dr. B.R. Ambedkar Konaseema District. Provides comprehensive institutional care, protection, education, rehabilitation and developmental support to 50+ girls with special needs.

OBJECTIVES

- Protect children in difficult circumstances
- Promote children's rights to development and participation
- Provide education, healthcare and rehabilitation support
- Strengthen child protection and family care mechanisms
- Facilitate social inclusion and independent living skills
- Support long-term rehabilitation and reintegration

KEY SERVICES

- Safe residential care and protection for 50+ girls
- Formal, non-formal and special education support
- Individualised learning assistance per child
- Health care, therapy and rehabilitation
- Psychological counselling and emotional wellbeing
- Life skills and vocational development
- Recreation, sports and cultural activities
- Family tracing and reintegration support
- Coordination with CWCs, DCPUs and departments

TARGET BENEFICIARIES

Girls with disabilities and special needs · Orphaned and abandoned children · Children requiring care and protection · Children vulnerable to abuse, neglect, exploitation and trafficking · Children from marginalised and economically vulnerable families.

PROGRAMME SIGNIFICANCE

NEED's first programme under Mission Vatsalya, Ministry of Women and Child Development, Government of India — marking entry into national child protection frameworks and commitment to ensuring vulnerable girls receive quality care, education and a dignified future.

ACHIEVEMENTS & OUTCOMES

- 50+ girls with special needs in institutional care and protection from 2025
- Individualised education and special learning support for every resident girl
- Comprehensive rehabilitation — therapy, counselling and life skills
- Coordination with CWCs, DCPUs and district government departments
- NEED's first programme under Mission Vatsalya, Ministry of Women and Child Development
